EXTRA! EXTRA!

SPECIAL ANNOUNCEMENT

FIDANZA ENGINEERING CORPORATION & ZOOM CLUTCHES
INTRODUCES
"THE CLUTCH ALLIANCE"

Two Heavy Hitters Join Forces

After long and storied histories Fidanza Engineering and Zoom Clutches have joined forces to bring to you the benefits of both of these great companies through a single source. We invite you to visit us at "Clutch Alley" this year at the SEMA show in Las Vegas November 3rd through the 6th. We are in booths 20933, 20935, 20937, 20939, and 20941.

As an added incentive, Zoom is extending a very special introductory offer on its line of "ZVT" premium Mustang clutches. The applications listed below will be available at the very lowest prices ever offered. If you are looking for the ultimate in single disc clutch performance you need look no further. With Zoom's "ZVT" variable torque technology you will have a stock feeling clutch pedal with an increasing clamp load as is needed. Please stop by our booth and let us introduce you to this and the rest of our performance line-up.

Year	Application	Part #	Torque
2005-2010	Mustang GT 4.6L	401571	504-657 lb-ft.
2005-2010	Mustang GT 4.6L ("TKO" Trans. - 26-Spline Disc)	401571S	504-657 lb-ft.
